Dear Mr. Nold:

On February 21, 1991, an inspection of your facility was conducted by David Walchshauser representing St. Clair County Health Department. This inspection was conducted in accordance with Sections 4(c) and 4(d) of the Illinois Environmental Protection Act: Ill. Rev. Stat. 1989, Chapter 111 1/2, pars. 1004(c) and (d). The purpose of this inspection was to determine your facility's compliance with the Illinois Environmental Protection Act and 35 Illinois Administrative Code, Subtitle G, Part 807: Solid Waste, and Part 809: Special Waste Hauling Regulations.

The attached inspection report specifies the date and time of the inspection along with other relevant information. Items numbered one (1) thru forty-four (44) represent requirements established by the Illinois Environmental Protection Act and/or 35 Illinois Administrative Code, Subtitle G, Parts 807 and 809.

Since, at the time of the inspection, none of Items 1-44 have been marked with an "X", your facility appears to be in compliance with the applicable regulations.

Dear Mr. Nold:

On June 21, 1990, an inspection of the above site was conducted by David Walchshauser representing St. Clair County Health Department. This inspection was conducted in accordance with Sections 4(c) and 4(d) of the Illinois Environmental Protection Act: Ill. Rev. Stat. 1985, Chapter 111 1/2, pars. 1004(c) and (d). The purpose of this inspection was to determine your facility's compliance with the Illinois Environmental Protection Act and 35 Illinois Administrative Code, Subtitle G, Part 807: Solid Waste, and Part 809: Special Waste Hauling Regulations.

The attached inspection report specifies the date and time of the inspection along with other relevant information. Items numbered one (1) thru fifteen (15) represent requirements established by the Illinois Environmental Protection Act and/or 35 Illinois Administrative Code, Subtitle G, Parts 807 and 809.

Since, at the time of the inspection, none of Items 1-15 have been marked with an "X", your facility appears to be in compliance with the applicable regulations. Your cooperation in remediating the open dump at this site is appreciated and is solicited to insure future violations of the Act do not occur.

Should you have any questions regarding this inspection, please do not hesitate to contact this department at 233-7769.

Sincerely,

Donald R. Brannon
